

PROJECT TITLE

Saraji Mine Pontoon System

PRINCIPAL

CPH Mining & Civil

LOCATION

Dysart, QLD

VALUE

\$417k ex GST

DESCRIPTION

- Design and construct 40m long aluminium gangway, landing pontoon, multi-directional pivot brackets, cable brace connection system and all other componentry.
- Project design considered road transport and site access constraints. Fabrication and installation methodology developed specifically for site to provide safe construction.

SCOPE/AREA OF BUSINESS

- Design & Engineering
- Mining & Infrastructure

PROJECT PROFILE

Saraji Mine Pontoon System
